¹ This summary is not an insurance policy and is not to be relied upon as such. The actual insurance policy is 85+ pages long and is available for review at Risk Management Division. This document represents an attempt to concisely provide and highlight certain aspects of that policy so that our insured agencies have an overview of the property coverage provided by Risk Management Division.

property of **comparable size, material, quality and function**; or

- The limit of insurance reported by the agency to Risk Management Division at that location.

A loss will not be paid until the property is repaired, replaced or rebuilt.

Covered perils and exclusions

This policy pays for **direct physical loss or damage** to covered property at reported locations **subject to certain exclusions**. The major exclusions are listed here, but are not all inclusive.

- Theft from the interior of a motor vehicle or a pickup bed where signs of forced entry do not exist
- Electrical injury or disturbance unless a surge protector was installed to protect the installed equipment from electrical injury
- Nuclear hazard, war, military action, certified acts of terrorism
- Computer virus, programming errors or omissions
- Collapse of buildings, unless caused by "specified causes of loss"²
- Wear and tear or depletion
- Rust, corrosion, erosion, fungus, decay, deterioration, wet or dry rot, mold, hidden or latent defect or any quality in the property that causes it to damage or destroy itself
- Settling, cracking, bulging or expansion
- Nesting or infestation or discharge of waste products or secretions by insects, birds, rodents or other animals
- Mechanical or machinery breakdown
- Dishonest or criminal acts of insureds and employees
- Rain, snow, sleet, dust or ice to property in the open
- Discharge of pollutants unless discharge itself caused by a covered peril
- Voluntary parting of property
- Accumulated effects of smog, smoke, vapor, liquid or dust
- Continuous or repeated seepage of water occurring over 14 days or more
- Audit or inventory shortage
- Faulty, inadequate or defective planning, zoning, development, surveying, siting, design, workmanship, repair, construction, renovation remodeling or maintenance.

Vacant property coverage limitation

If the building or leased premises where the loss occurred has been vacant³ for more than 60 consecutive days before the loss occurs, the company will not pay

² Specified causes of loss include fire, lightning, explosion, windstorm or hail, smoke, aircraft, vehicle, riot or civil commotion, vandalism, sinkhole collapse, falling objects, weight of snow, ice or sleet, water damage, weight of rain that collects on a roof, weight of people or personal property and other causes.

for losses caused by vandalism, sprinkler leakage, building glass breakage, water damage, and theft or attempted theft

Outdoor property coverage limitation Outdoor property⁴ is covered only for losses caused by fire, lightning, explosion, riot or commotion, vandalism or malicious mischief or aircraft and vehicles.

COVERED PROPERTY⁵

Buildings and Structures Eligible for Coverage

The following types of structures are eligible for coverage under this property policy, but **each single structure must be specifically scheduled with RMD before property insurance is effective.**

- Buildings – including their ongoing additions and renovations, building fixtures, permanently attached machinery and equipment, and outdoor fixtures that are within 1000 feet of the building.⁶
- Outdoor fixtures
- Unattached sheds and outbuildings
- Gazebos
- Shelters
- Restrooms
- Mobile structures in place for more than 90 days
- Piers and wharves

Buildings and Structures NOT Eligible for Coverage

- New buildings under construction
- Buildings the State does not own, unless a lease requires the State to insure the building
- Buildings or structures that Risk Management Division deems uninsurable due to their condition.
- Bulkheads, pilings, docks, dikes, dams, canals, sea walls and vehicular bridges

³ Vacant means: when 90% or more of the square footage of the entire building is not rented or is not used to conduct customary operations; or when a unit or suite leased to a tenant does not contain enough business personal property to conduct customary operations.

⁴ Outdoor property means retaining walls not part of a building, lawns, trees, shrubs, plants, bridges (excluding vehicular bridges), walks, roadways, patios or other paved surfaces.

⁵ This is not an inclusive list, but a list of the common types of property we insure. A call should be made to Risk Management Division if you want to insure a type property that is not in these lists.

⁶ Outdoor fixtures include such items as flagpoles, signs, fences, electrical/telephone poles, statues and monuments. It is assumed that these types of freestanding outdoor fixtures have poured concrete or equivalent permanent foundations. If such a fixture is valued at more than \$10,000, it should be separately scheduled. If it is not, the maximum claim payment for the fixture is limited to \$10,000. If an outdoor fixture, regardless of value, is located more than 1000 feet from the insured structure, it is not covered at all unless it is separately scheduled.

Business Personal Contents Eligible for Coverage

The following categories of contents are eligible for coverage under this property policy. **Locations must be specifically scheduled with RMD before property insurance is effective.**⁷

- Furniture such as desks, filing cabinets, shelving, removable room partitions, chairs, tables, appliances, bookcases, coat racks, and beds.
- Fixtures not permanently attached
- Tenant improvements and betterments
- Electronic processing equipment such as desktop computers, laptops, servers, printers, specialized equipment
- Machinery and equipment such as fax and copy machines, portable generators, air conditioning and heater units, automotive equipment, laboratory or hospital equipment
- Stock
- Fine arts
- Outdoor property within 1000 feet of a building
- Other business property such as tools, books, papers, televisions, vcrs, projectors, tapes, videos, office and medical supplies, publications
- Student property (under certain conditions)
- Property of employees when used in the course and scope of business with a supervisor's prior knowledge and permission
- Property of others for which the State has agreed in writing to insure prior to any loss
- Valuable papers and accounts receivable

Property and Costs not Covered

Items in italics may be specifically insured (upon request) on policies other than the property policy. Other items are not insurable.

- *Vehicles, trailers or self-propelled machines* that are licensed for use on public roads OR are operated principally away from the insured premise. This includes construction equipment, snowmobiles and all terrain vehicles
- *Aircraft*
- *Watercraft*
- Currency, deeds or other evidences of debt, money, notes, checks, drafts or securities
- Water
- Land, land improvements, grain, crops or timber
- The cost of excavations, grading, backfilling or filling
- Live animals or birds
- Bulkheads, pilings, docks, dikes, dams, canals, sea walls and vehicular bridges
- Underground tanks, pipes, flues, drains or tunnels, all whether or not connected to buildings⁸
- Any electronic data processing equipment which is obsolete or unused by the State

Summary as of 07/01/2012

⁷ There is an automatic 120 day coverage extension for newly constructed or acquired locations. There is limited transit coverage for business personal property temporarily away from a scheduled location.

⁸ We have, however, specifically insured the tunnels located on the East Side Campus in Augusta and the tunnel between the State Capitol Building and the Burton Cross Office Building.
